Year 11 Information Evening

Dear Parent / Carer,

I hope this message finds you well.

As your child approaches a crucial time in their education (GCSE examinations), we are committed to ensuring they have the tools and support they need to succeed. To that end, we have planned a special meeting for Year 11 parents and students to discuss the revision strategies we have developed to guide students through their preparations for the upcoming assessments, mocks and GCSE examinations.

We invite you to join us on **Thursday 03 October, 6pm – 7pm at Monkseaton High School**, where we will cover the following topics:

- Overview of our Get Exam Ready (GER) programme
- Overview of our morning Tutor Revision programme
- Resources available to students
- Time management and effective study habits
- Support systems within the school
- Tips for helping your child manage stress and maintain a healthy balance

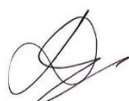

Your presence at this meeting, with your child, is highly encouraged as it will give you a clear understanding of how you can support them during this critical time. Refreshments will be served.

Please RSVP by 4pm, Tuesday 01 October 2024, to help us for catering purposes.
