Dear parents/carers,

RE: Letter to parents and carers regarding University Technical College (UTC) options

Last week you received a letter from the Council's school admissions team regarding options for child for year 10.

To address your concerns, we would like to stress that this letter is issued to every child in the country at this time of year at the instruction of the Department for Education. This is around University Technical College (UTC) options.

This is not about potential alternative provision for your child (ren).

We acknowledge that the timing is unfortunate, and this letter was in the process before the consultation went live.

Our Frequently Asked Questions contains the latest information on admissions for your child at Monkseaton High School. This is updated frequently and can be accessed here: <https://haveyoursay.northtyneside.gov.uk/monkseaton-high-school>

At this stage, no decision has been made on the future of the school. If the decision is taken, a centralised admissions process will be put in place.

We apologise for any confusion this has caused.

Thank you.
